## Testing unit for lightning barriers

Item number: 5096786

OBO Life Control allows function control of the MDP lightning barriers. The lightning barriers can be checked while installed. Life Control will not have any influence on the measuring signal. Life Control possesses an integrated OLED with visual and acoustic defect signalling. A separate LED inside the testing pin is also integrated. Life Control is delivered in a case, complete with a CD and instructions.

### Master data

Item number	5096786
Type	LFC
Description 1	Life Control
Description 2	Test. unit lightning barriers
Manufacturer	OBO
Smallest sales unit	1
Unit of quantity	Units
Weight	164,5 kg
Weight unit	kg/100 pairs

### Technical specifications

Nominal voltage	9 V
Signalling on device	Optical and acoustic
design test and test device for surge protection	Testing case
Design test and test drive for surge protection	Information technology
Evaluation and test drive for surge protection	Test device
