

The universal support Connect UTC – simply ready to use!

The ready-to-use universal supports, Connect UTC, are fitted with screwless connection adapters. Connection cables can be plugged in directly into the underfloor distributors.

Individual specification of material types, cable diameters and colours

Different variants of the ready-to-use universal supports are available on request or via self-configuration

Modul 45 Connect adapters with a cable diameter of 3 x 1.5 mm² and 3 x 2.5 mm² can be connected
